SUBJECT: Your letter of 27 July 1960 re GFE on Contract No. NY-3958

Dear Bob:

The radar heading selector, serial #9 for set #1 which is now located at GPL should be shipped to the following address:

Naval Air Development Center
ASW Laboratory
Johnsville, Pennsylvania

Attn.: [REDACTED]

The GPL shipping memos 16775, 16752, 21100, 22009, and 19852 are considered to give adequate accounting for the GFE spares furnished to GPL for inventory under Item 2b of the contract. All of these have now been signed by a Government representative except SM No. 22012. [REDACTED] of GPL states that he has a receipt for this SM and will forward same.

You are relieved of accountability for two Navigation Indicators. The Navy representative concurs that these items were not sent to your plant.

Very truly yours,

Dan
